To The Honorable Judge Denise Cota

A Gray Watson would like to start by expressing my deepest gratitude towards the courts. Being a tax payer for many years, it truly saddens me to know I'm on the wasting end of the economies hard earn money.

I would have thought I've learned to contain my emotions the first time I was incarcerated for nine long years. Once again I let my stress combined with my over worked emotions over ride my better judgement.

As a intricate part of my childrens lives, I don't know how to express what I feel about this situation. It's really hard to face them at this point. But regardless the outcome they know the goods outweighs the bads.

As hideous as it seems, I never intended for anyone to get hurt. It's almost impossible to

muster up how I feel for the people
I've hurt. I deeply apologize to the
courts and all the staff at the
Rite kids. I thank God that
the outcome wasn't worse.

Being that I'm the soul provider
for my family, and there's know
one capable of stepping in financially.
I ask the courts to show some
leniency towards my situation. If
your decision stays the same I
truly understand. I'm fully pre-
pared to move forward in a positive
light.

Once again I'm truly sorry
for my outrageous acts. My inten-
tions were never to offend or
hurt anyone.

Sincerely
Trayton
